

The O U S A Membership Card

Open University students are automatically members of the Open University Students' Association, and it's free!

The O U S A Membership card can bring all kinds of benefits and can be used as your I D when sitting exams.

There are several O U S A Branch and Regional Forum websites that list places where you can use your card, but our advice would be to proffer it anywhere you think you might be able to use it, on the basis that if you don't ask, you don't get! This site has a good list: www.ousa-west-midlands-co.uk. Click on the gorilla's O U S A Card for details of some of the places you can use your card.

Don't forget to renew your card annually!

Detach and bring the form on the right to a Branch meeting or send it to:

Don't worry if you don't know your catchment area—they will be able to work it out from your postcode. Please allow 28 days before chasing the office for your card.

Some people like to enclose a donation to OUSET (the Open University Student Educational Trust) with their application form—it's not obligatory, but it's a lovely idea!
